

Take-Out Menu

We are back to accommodate the revised needs of our valued customers. We have developed single serve meals as well as take and bake meals for home or office.

Today and the days to come we hope you consider the adjustments we have made to our menu. We have also implemented additional measures to ensure the safety of our team and customers including enhanced cleaning protocols with additional focus on high traffic and high contact areas, enhanced equipment cleaning and sanitation protocols and additional hand sanitizing stations throughout the dining room, patio and the kitchen.

We hope to be back to our regular menu again soon. Thank you and stay healthy.
