

BRAMPTON FLYING CLUB – GENERAL RULES & INFORMATION for MEMBERS & ASSOCIATES

ASSOCIATE/MEMBERSHIP

1. Renewal of an annual associate/membership will occur automatically using your provided credit card information if you have checked that option on the front of this membership application form. An administration fee is applied for all membership renewals that have lapsed for more than one month.
2. Rental Aircraft will be available only to associate/members in good standing (Paid up associate/membership).
3. If the information on the front of this form changes at anytime, BFC must be notified as soon as possible.

PAYMENT POLICIES

1. Payment for product and services that BFC provides is due in full at the time of purchase. If a transaction is made with a balance remaining, the Brampton Flying Club is authorized to debit the associate/members credit card on account.
2. Master Card, Visa, or American Express can be utilized by maintaining current credit card information on file. Credit card transactions will not be processed without your approval in advance. If a valid credit card is not provided for the associate/membership account you will be required to maintain a minimum credit of \$300.00 on account PRIOR to training flights and aircraft rental. * this amount is subject to change without notice
3. A BFC account may be utilized for convenience by associate/members by maintaining a positive balance on account that can be run down and used for services when payment is required.
4. Associate/members with overdue balances will be asked by staff to clear their accounts prior to additional product and services.

HOURS of OPERATION

1. Brampton Airport clubhouse and fueling services are available as follows: Summer Season from April 1 to September 30: 7am to 12 pm. Winter Season from October 1 to March 31: 8am to 10pm. 7 days a week except for Christmas and new Years. Hours of operations also depend on the weather. Please call in advance.
2. BFC Restaurant-Cafe: Grille is open daily from 8am to 3:00pm. Humphreys Pilot Shop is open 10am to 7pm in the winter, hours may change in the summer.

AIRPORT, SAFETY & SECURITY

1. Access to the CNC3 airport is intended for associate/members and pilots engaged in flight related activities. If friends, family members, or persons providing a service for an associate/member are required to be airside they must be escorted and supervised at all times. BFC cannot be responsible for a non associate/members brought airside by an associate/member. Contractors must give the Airport Office at least 48 hrs. notice prior to required airside access and must be supervised by associate/members or staff. An Airport Improvement Application and/or Airside Access Training is required.
2. Brampton Airport has implemented an Airport Watch Security Program. It is every associate/member's responsibility to ensure security is maintained. This includes ensuring that all man gates are closed, the main entrance gate is closed outside normal club operations hours, and reporting any suspicious activity to the BFC management.
3. Airside Vehicle access is not permitted. In some cases it is necessary for a non-airport vehicle to be airside. These vehicles and their operators require permission in advance from the BFC Airport Office.
4. As per CAR302.11 smoking airside is only permitted in designated smoking areas. The only designated smoking area currently airside at CNC3 is directly behind Hangar 1(BFC Maintenance Hangar).
5. The Brampton Airport is a private certified airport owned and operated by the Brampton Flying Club. No commercial operation of any kind or activity shall be conducted at the airport unless specifically authorized and under such terms and conditions as may be prescribed by the airport administration. No operation or activity shall be conducted at the airport that competes with the activities of the Club in any of the facets of its operation. Freelance instruction of any form is prohibited and there shall be no flying school, rental of privately or commercially registered aircraft for remuneration, availability or sale of aircraft block flying time, maintenance facility, fuel sales or restaurant conducting business with the public at large. Any commercial operation on the field shall be revenue positive to the Club's operations. Should the Brampton Flying Club be approached to provide tenancy for a commercial business engaged in aircraft sales or brokerage, the General Manager and the Board will determine if it is in the best interest of the Club.

CLUB FLYING RULES & POLICIES

1. See the Associate/Members Handbook published on our website <https://www.bramptonflightcentre.com/recreation/our-fleet-rental-rates/associate-members-handbook/> for BFC Flying Regulations and terms and conditions of the BFC Rental Agreement.
- 2.
